Like a Boulder

Terror Jr

I know yeah

I know I know I know I know
I know
That you're fine

But do you do you do you do you
Think of me at night

I know I know I know I know
I know
That you're fine yeah

But every second you're not loving on me is a crime

Rolling like a boulder
Feel us coming closer

Two shots three shots
One sake make it hot

If you say it's over
Why you coming over

Two drip
One drop
No turning me off

Rolling like a boulder
Rolling like a boulder
Rolling like a boulder
If you say it's over
Why you coming over
Why you coming over
Coming coming coming over

I know I know I know I know
I know
I'm not myself yeah

Cause the way the way the way
That you got me feeling
I've never felt
Oh yeah

Come and come and take a ride
Don't wait for it to pass us by
Living in the moment
I got nothing left to justify

Just tell me
You want me
Don't gotta be forever

Come and come and take a ride
Don't wait for it to pass us by

Rolling like a boulder
Feel us coming closer

Two shots three shots
One sake make it hot

If you say it's over
Why you coming over

Two drip
One drop
No turning me off

Rolling like a boulder
Rolling like a boulder
Rolling like a boulder
If you say it's over
Why you coming over
Why you coming over
Coming coming coming over

Rolling like a boulder
Feel us coming closer

Two shots three shots
One sake make it hot

If you say it's over
Why you coming over

Two drip
One drop
No turning me off
Off off off off
