

Maker

Terror Jr

Lightsaber
Party favors
We should meet up
Kick our feet up
Say a prayer, elevator
We so high now

I could meet my maker
I could meet my maker
I wonder what you'd say to me
And would you be ashamed of me?

I'm a real bitch
When I'm hungry
Got a Netflix special
But you ain't funny
I'm so high now
Ain't no cat or mouse
When you in the clouds
Birds can't fly now

But I was ditzy
I'm more Kasitsky
I'm talking Bondie
I ain't got no money for this movie
But I'll star in it
Catch a couple stars for it

Lightsaber
Party favors
We should meet up
Kick your feet up
Say a prayer, elevator
We so high now

I could meet my maker, oh
I could meet my maker, oh
I wonder what He'd say to me
And would He be ashamed of me

'Cause I'm a real bitch
Lafortuna heels, bitch
If you want to die
I recommend you cop a feel bitch
Ain't no proposition
If you're the opposition
Should we hit with this
Should we pay enough tuition

Lightsaber
Party favors
We should meet up
Kick your feet up
Say a prayer, elevator
We so high now

I could meet my, oh

I could meet my Maker
I could meet my Maker
Hmmm
