

Palm Trees In The Snow

Terror Jr

I stepped up to the plate and got my heart broke
Two strikes two outs I hope I don't choke
I swung and I missed and I fell in the grass
You took my hand and I wish it could last
Frozen in time like palm trees in the snow

Frozen in time, frozen in time, frozen (time)
Frozen in (time), frozen in time (frozen time)

Frozen in time, frozen in time, frozen (time)
Frozen in (time), frozen in time (frozen time)

Frozen in time, frozen in time, frozen (time)
Frozen in (time), frozen in time (frozen time)

Frozen in time, frozen in time, frozen (time)
Frozen in (time), frozen in time (frozen time)
Like palm trees in the snow

Like palm trees in the snow

Like palm trees

I wish it could last

You
You took my hand
You
You took my hand

Wish we could make this feeling last
It never lasts

Frozen in time, frozen in time, frozen (time)
Frozen in (time), frozen in time (frozen time)

Frozen in time, frozen in time, frozen (time)
Frozen in (time), frozen in time (frozen time)

Frozen in time, frozen in time, frozen (time)
Frozen in (time), frozen in time (frozen time)
Like palm trees in the snow

Like palm trees...
