

## Suffer 4 U

Terror Jr

You got me one time, two times  
And you do it again a few more times  
Now you wanna come back in?  
Now you're trying to be my friend?  
Tell me, who do you think I am?  
Who do you think I am?

I'd be a fool  
I'm not gonna suffer for you  
Do what you want me to do  
It's time that I love by my own rules  
I'm not gonna suffer for you  
How do I know it's the truth?  
You say you got answers but you're ruining my mood  
Say that you love me, you got no proof  
I'm not gonna suffer for you

I'm not gonna suffer, suffer  
I'm not gonna suffer, suffer  
I'm not gonna suffer, suffer  
I'm not gonna suffer for you

Backseat, get in the backseat  
I want you to know before you ask me  
I'm the black sheep living lavishly  
Never bow down to a majesty

I'd be a fool  
I'm not gonna suffer for you  
Do what you want me to do  
It's time that I love by my own rules  
I'm not gonna suffer for you  
How do I know it's the truth?  
You say you got answers but you're ruining my mood  
Say that you love me, you got no proof  
I'm not gonna suffer for you

I'm not gonna suffer, suffer  
I'm not gonna suffer, suffer  
I'm not gonna suffer, suffer  
I'm not gonna suffer for you

I'm not gonna suffer  
I'm not gonna suffer  
I'm not gonna suffer for you

Won't suffer, I'm not gonna, no  
Ooh, no, mmh  
I'm not gonna suffer for you  
Got no proof  
I'm not gonna suffer for you
