

# Too Soon

Terror Jr

Could it be love?  
Always show up on drugs  
Go in for the tongue  
Then I spill shit on your rug  
Oh fuck  
You shoulda been done  
With me like last last month  
But you keep showing up  
I think that I might be good enough

Confidence like a rollercoaster  
I left mine inside your holster  
Will you pull it? Yeah I hope that you do  
I know that I'm a mess  
But last week you said I'm the best  
So maybe I should listen to you

But I don't wanna say it  
Too soon, too soon, too soon  
Cause what if you don't say it back?  
I don't wanna say it  
Too soon, too soon, too soon  
This time I wanna make it last  
Don't wanna say it too soon

Every day's bad  
When you hate yourself  
But misery's a myth  
So I guess I'm fuckin' happy bitch  
You're making me smile  
Like I'm walking the aisle  
Feelin' the style  
But I don't know shit bout fashion

Confidence like a rollercoaster  
I left mine inside your holster  
Will you pull it? Yeah I hope that you do  
I know that I'm a mess  
But last week you said I'm the best  
So maybe I should listen to you (you)

But I don't wanna say it  
Too soon, too soon, too soon (no)  
Cause what if you don't say it back?  
(I can't risk it)  
I don't wanna say it  
Too soon, too soon, too soon  
This time I wanna make it last  
(I want to make it last)  
Don't wanna say it too soon

Don't wanna say it too soon, Oh  
Don't wanna say it too soon, Ooh  
This time I wanna make it last  
Don't wanna say it too soon, Ooh  
Don't wanna say it too soon, Oh  
This time I wanna make it

I don't wanna say it too soon, too soon  
Cause what if you don't say it back  
I don't wanna say it too soon  
This time I wanna make it last, Ooh

Confidence like a rollercoaster  
I left mine inside your holster  
Will you pull it? Yeah I hope that you do  
I know that I'm a mess  
But last week you said I'm the best  
(I'm the best)  
So maybe I should listen to you

But I don't wanna say it  
Too soon, too soon, too soon  
Cause what if you don't say it back?  
I don't wanna say it  
Too soon, too soon, too soon  
This time I wanna make it last  
Don't wanna say it too soon

Don't wanna say it too soon, Ooh  
Don't wanna say it too soon, Ooh, Oh  
This time I wanna make it last  
(I wanna make it)  
Don't wanna say it too soon  
Don't wanna say it too soon  
(I wanna make it)  
This time I wanna make it

I love you...
