

Well look who creepin look who crawlin
No fuckin wit hoez they stallin
In love I thinkin dey fallin
But dat money jus won stop callin me
R-E to the I
Like a beam from a 9
Show ya teeth cut da ties
If a motherfucker really wanna press
I don't know dat hoe but I know dat throat
No coat I'm 'a tell er say less
Terror hold dat throne sucka watch dat tone
Unknown ain't tryna impress
I'm poppin off like dem candy rocks
Reid talk da talk and Reid walk da walk
Throw a acronym and yo bitch beyo bitch be learnin
T.I.M.E.: To Increase My Earnings
Hoe

Hit the screw shop
Drop at least two Gs
Papadeaux's
I won't leave for a week
Rooftop out in Coconut Grove
Dial tone getting hard to reach
Precious jewels my talk ain't cheap
Wrapped in gold set around my teeth
Wanna talk to he gotta pay the fee
Hundred words that's a hundred Gs

Hit the brake wheel spinning
Caller unknown 'cause I got no minutes
Four five handle my business
Ran it so high now the cash won't fit in
All out put some more drank in it
Hoe don't stop till it dark like Guinness
Hoe got no shame with it
Really want Thizz but she'll take Vicodin
Is you kidding?
Is you kidding?

Riley Kasso I'm in a burnt orange Lambo
With some freak bad hoes licking coke off of cantalopes
Why do that shit? I don't know, they weird
La Flama Blanca sippin blanco, shit, I keep shit clear
Tell them hoes stop suckin my balls while I'm drivin, I'm tryna steer
Had to kill my old friends off mane I can't shed no tears
Stupid ass stuck in the past but man we're really out here
So many drugs in the past I think I killed my brain cells that cause fear
Fat ass dick like Peter griffin told that bitch come here and grind my gears
Why you callin me a faggot dog? Look in the mirror
I'm cutting competitions necks from ear to ear
Big Dog, AKA the young blanket dictator
Introduced and said my name and now ya bitch hate ya
Boiiiiii
