

Can't Let It Go

Terror

Don't tell that you ever cared
Don't tell me you were always there
Never one to give, always on the take
Blame everyone for your mistakes

Rage takes hold, scars start to show
Lost control, I can't let it go

Don't tell me we're the fucking same
Don't tell me I'm the one to blame
I see you ahead as I look from behind
I always had your back, you never had mine

Rage takes hold, scars start to show
Lost control, I can't let it go

Can't let it fucking go
Can't let it fucking go
Can't let it fucking go
You are a worthless soul
I've always fucking known
Can't let it go

I tried to be the better man, can't let it go
I tried to make amends and understand, can't let it go
But the truth is I fucking can't, can't let it go
Bury your betrayal, no fucking coming back
