

Get off My Back

Terror

And I, I try to beat it
This game of life, can defeat it?
Living life by my own rules
Get the fuck off my back

When I conceive it
It's only truth if I believe it
This game of life it can be cruel
Get the fuck off my back

Everyone has a life to live
Everyone has a cross to bear
Can't throw me off track
Now, you get off my back

And you you're being cheated
Loyal to a fault I guarantee it
In this life won't be the fool
Get the fuck off my back
I found the freedom
Trapped in a world without a reason
It's about time I broke your rules
Get the fuck off my back

Everyone has a life to live
Everyone has a cross to bear
Can't throw me off track
Now, you get off my back
Everyone has a life to live
Everyone has a cross to bear
Truth is what you lack
Now, you get off my back

Can't control me
Try and you'll see
I gotta fight back

Am I crazy
All around me
World gone mad

And I
I won't be thrown off by you fools
This game of life it can be cruel
You better get off my back
Get off my back
