

Total Retaliation

Terror

No time to stabilize
I'm caught in the heat
I won't apologize
No words of sympathy

Absence of thought
React without hesitation
Rage has me caught
Total Retaliation

It's time to recognize
We'll never agree
This hatred inside
Taking over Me

Absence of thought
React without hesitation
Rage has me caught
Total Retaliation

Consumed by violence
Pressure increase
My blood is rushing
It controls me
I'm suffocating
Mayhem inside
Patience is fading
Absence of thought
In my mind
In my mind

Fuck you
You're weak

Absence of thought
React without hesitation
Rage has me caught
Total retaliation
