Money, yesterday my life was filled with rain  
Money, you smiled at me and really eased the pain  
The dark days are gone, and the bright days are here  
My Money want shine so sincere  
Money one so true, I love you

Money, thank you for the sunshine bouquet  
Money, thank you for the love you brought my way  
You gave to me your all and all  
Now I feel ten feet tall  
Money one so true, I love you

Money  
Money

Money, thank you for the truth you let me see  
Money, thank you for the facts from A to Z  
My life was torn like a windblown sand  
And the rock was formed when you held my hand  
Money one so true, I love you

Money, thank you for the smile upon your face  
Money, thank you for the love that shows its grace  
You're my spark of nature's fire  
You're my sweet complete desire  
Money one so true, I love you
