

## Devastate

Terrorizer

Born of chaos  
Damaged lives  
Vicious standards  
Scorned with their lies

Devastate

Take no prisoners  
Collision of fate  
The power shifts  
Soon to devastate

Unleash the downpour of pain

Spiral  
Towards conclusion  
Lifeless  
Within delerium

Lost  
In ruin  
Fighting  
For control

The fight now takes its toll

The one to be killed  
Is fighting for control  
Time collapses  
Towards this goal  
Silent in the shadows  
Plotting to descend  
Pain is neverending  
Afflicting gains
