

Failed Assassin

Terrorizer

Siege from the sky
A failed campaign
Hopeless assault
Frantic minds know they're lost

The doomed descend
Savage goal
Hunt has begun
Man killing man
Helpless in horror

Hunting hunters
Snipers taking aim
Incompetent assassin
Failing at their game

End of life
Collapsing pain

Now there's nothing
Distant dream
Cold reality
Victim screams

Faceless loser
Game of death
Score is final
