

Terror Cycles

Terrorizer

Do not live
Don't resist
Conform to their plan

Life devoured
Consuming greed
Follow their commands

Devoured life
Depleted source
Taken by demand

Chosen path
Victim card
Dealing their own hand

Sudden pawn
Awake to wrongs
Affliction of their own branding

Actors run
Aspersions cast
For the fate of those done wrong

The cycles stay the same

Agenda
Exposed self-pity and rage
Pathetic
Victims slowly encaged

Diminished fate
Corroding slate
Crying for one more chance

Choices made
Disintegrates
The cycles that renew you

All along
You've been wrong
You accept this fate

Deadly wrath
World gone mad
The chaos they create

The cycles stay the same

Inflicted
Disdain for the system delayed
Conditioned
For the last and final stage

Devoured life
Depleted source
Taken by demand

Chosen path
Victim card
Dealing their own hand

All along
You've been wrong
You accept this fate

Deadly wrath
World gone mad
The chaos they create

Agenda
Exposed self-pity and rage
Pathetic
Victims slowly encaged
