

The Downtrodden

Terrorizer

The greatest enemy
An unfocused mind
Lives fearing their ascension

Torn by decision
Submersion of will
The future denied

Lies
Deceptive tragedy
Controlling change

Control changes
Faces never hands
The truth is not for you to find

Feeble ignorance
Failure wrapped in pain
Blacked out silence plagues the mind

Lies
Deceptive tragedy
Controlling change
Lies
That bring catastrophe
Your future staged

Cast to follow
Your dreams denied
Crushed

The hammer falls upon the weak

Lies
Deceptive tragedy
Controlling change
Lies
In all their majesty
Affecting rage
