

Come Home Beanie

Terrorvision

Come home Beanie, Beanie come home,
Your mother's worried sick, sitting by the telephone,
She's gravely concerned about her little girl,
Who's been blown away by the big bad world,
Beanie's all alone,
Beanie come home,

I've been around the world, around the world, around, around, around,
I've been around the world, around the world, around, around, around,

Come home Beanie, Beanie come home,
Your mother's worried sick, sitting by the telephone,

I've been from Paris to London and on to Milan,
I'd walk from New York if someone said that I can,
Yeah I could crawl on my knees or walk on my hands,
Just to get back to my Amsterdamn,
Cos' in Amsterdamn,
I can do what I can,
I can be who I am,
Mom I'd rather get stoned than an all over tan,

Come home Beanie, Beanie come home,
Your mother's worried sick, sitting by the telephone,

I went from U.K to U.S.A. to U.S.S.R,
This jerk with a merc gave me a lift in his car,
He said he'd take me back to Hollywood, Gonna make me a star,
And after some major, minor faux par,
I'm now in L.A,
I work the movies and stage,
I feel the rage,
I'm a model class 'A',

Come home Beanie, Beanie come home,
Your mother's worried sick, sitting by the telephone,
She's gravely concerned about her little girl,
Who's been blown away by the big bad world,
Beanie's all alone,
Beanie come home,

Come home Beanie, Beanie come home,
Come home Beanie, Beanie come home,
Come home Beanie, Beanie come home,
Come home Beanie, Beanie come home,
Come home Beanie, Beanie come home.
