

## Run & Hide

Terrorvision

Look in the mirror tell me  
What do you see?  
A thousand shattered memories  
And just one shard of me

There's a reason you don't go  
There's a reason why you'll stay

There's cracks appearing in the wall  
And clouds in the sky  
But I'm still here  
I'm waiting all day, every night

There's a reason you don't go  
There's a reason why you stay  
There's a long way for us to go  
And I want you back again  
Run and hide  
Run and hide  
Run and hide

You've been leaving every day  
And I've been asking you back  
And I could change in every way  
But I'd still want you to stay

You've been leaving every day  
And I've been asking you back  
And I could change in every way  
But I'd still want you to stay  
Run and hide  
Run and hide  
Run and hide
