All is well, as it could ever be All is well, as it could ever be All is well, as it could ever be All is well, as it could ever, it could ask for Me, I told myself that I'd get better, and I knew I would But I said that a thousand times Said the same in the letters that I wrote to you Guess you thought it's that same old line Ooh I know, but the rest of my soul it don't ever need a reason why Told myself I'd get over it and over you, never will till the day I die This won't take long, shouldn't take but a minute I got you right here in my heart It's only human, it's only natural, it's love or animal There you are, so far away, but instead I got it right here in my face Shine away, shine away, one look at you and I can see the light of day Shine away, shine away, 'cos I'm afraid of what could happen If you shine my way, don't you shine my way Now that it's over, I ask myself the reason why That [was in the time with you on my mind] Told myself I'd forget about, forget you Now it's changed it don't feel so right Ooh I know, but the rest of my soul it don't ever need a reason why Love you so and always will, love to love you even still Now there you are, so far away, all the while I got it right here in my face Shine away, shine away, one look at you and I can see the light of day Shine away, shine away, 'cos I'm afraid of what could happen If you shine my way Shine away, shine away, I got somebody sittin' home, waitin' for me yeah Shine away, shine away, you make it hard for somebody Who don't want to play, and I want to play [Solo] I told myself that I'd get better, and I knew I would But I said that ten thousand times Said the same [if time don't make that call for you] Guess you thought it's that same old line This won't take long, shouldn't take but a minute I got you right here in my heart It's only human, it's only natural, it's love or animal Now there you are, so far away, all the while I got it right here in my face

If you shine my way Shine away, I got somebody sittin' home and waitin' for me

Shine away, shine away, one look at you and I can see the light of day

Shine away, shine away, 'cos I'm afraid of what could happen

Shine away, shine away, shine away, shine away, shine away Shine away, shine away, shine away, shine away
