

Let's Go Outside

Tessa Violet

Let's go outside!
Let's go outside!
Outside's nice as it goes wold wide
You never know where you might go
When you take your feet and your button toe

Outside sucks, let's go back inside.
Okay.

We like things and so should you
Things are fun
STUPID KANGAROO!
So sing this song along with us
Or we'll throw a rock so..
DON'T MAKE A FUSS!

Let's go go go
And just row row row

Let's make a song just you and I
We'll climb a chair and we'll never die
'Cause this faucet water
It's the water of gods

It's you and me
It's who we are

Look at me, I play guitar!

Was that the doorbell?
Who could it be?

My name's Jason and I'm angry with the world
You think you can avoid me?
Well, I just teleported girl!
I'm inside the house and I'm looking for fun
Don't mess with me 'cause I'm NUMBER ONE!

I think I'm over Jason
Yea, I hate Jason

We like things and so should you
Things are fun
KANGAROOOOOO!
So sing this song along with us
Or we'll throw a rock so
DON'T MAKE A FUSS!

Let's go go go
And just row row row

Let's make a song just you and I
We'll climb a chair and we'll never die
'Cause this faucet water
It's the water of gods

It's you and me

It's who we are

Look at me, I play guitar!

I have a bowl of pineapple.
Man, i freaking love pineapple.
Want to eat it?
No.

Let's go go go
And just row row row

Let's go go go
And just row row row

Let's make a song just you and I
We'll climb a chair and we'll never die
'Cause this faucet water
It's the water of gods

It's you and me
It's who we are

Look at me, I play guitar!

It's you and me
It's who we are

Look at me, I play guitar!

Magic!
