

So Many Lies

Testament

I didn't mean to offend you
But you were way out of line
And I can't help the way I feel
Who said I feel fine ?
I'll only give you one warning
Then you must realize
The day of judgement is closing in
your selfish ways bring your demise

He who lies
Evil pays
Who are you ?
Who made you anyway ?
Wrong or right
Who's to say
I wanna know
Who made you God today

Slave to the ways of the system
Soon to be crucified
I've seen into your darkest fears
The ones you cannot hide
I know where you go when
Your fears start showing
You run, You cannot hide
Will they respect you when
You ask of the world,
Forgive me for so many lies' ?

He who lies
Evil pays
Who are you ?
Who made you anyway ?
Wrong or right
Who's to say
I wanna know
Who made you God today

Is there a need to pretend
To be a man, so divine
And even if I offended you
My truth you can't deny
I know where you go when
Your fears start showing
You run, You cannot hide
Will they respect you when
You ask of the world,
Forgive me for so many lies' ?

He who lies
Evil pays
Who are you ?
Who made you anyway ?
Wrong or right
Who's to say
I wanna know
Who made you God today
