Tetrarch

I feel it reaching out and trying to take hold of me
I've got the marks scratched across my skin
Can't quite remember who I am
It is gripping me it's consuming me
If I could run away not sure I would
Cause I never knew the loneliness could feel this good
And I don't give a fuck about your concern
There's nowhere I'd rather be

I breathe this
I want it
I'd sell my soul tonight
This flame keeps burning
It will never die
Now I can see that the joke is on me
I'm addicted
I'm addicted

You call me crazy but I like what this has done to me
It is a rush I wanna taste again
Could make it go away but what's the fun in that
It is grabbing me it's choking me (It's choking me)
It digs in deeper and it leaves another scar within
Don't even know myself or where to begin
But you can keep your fucking thoughts to yourself
This is where I wanna be

I breathe this I want it
I'd sell my soul tonight
This flame keeps burning it will never die
Now I can see
That the joke is on me
I'm addicted
I'm addicted

This thing is growing and it's killing me
Out of control, blurring everything I see
Take it away this shit is ripping me apart
Take it away
Take it away
Take it

I breathe this
I want it
I'd sell my soul
Now I can see
That the joke is on me

I breathe this I want it
I'd sell my soul tonight
This flame keeps burning it will never die
Now I can see
That the joke is on me

I breathe this I want it
I'd sell my soul tonight
This flame keeps burning it will never die

Now I can see
That the joke is on me
I'm addicted
I'm addicted
