

Relentless

Tetrarch

Oh my God I'm sick
Of all these fucking standards you have set for me
These walls will never contain me
Don't live my life for you
Life for you
Fuck you
Why do you why do you think I care
Why do you think I care

Relentless here we stand (We stand)
We won't give in
Our voices screaming
Here we stand

Push me around with all the twisted words you speak
Feeding me lies just to please you
I'll never be like you
Not like you
Fuck you
Why do you think I care

Shut the fuck up
I'll never live a lie
Beating you down
Our voices will drown you

Relentless here we stand (We stand)
We won't give in
Our voices screaming
Here we stand
No one will ever hold us back
No one will bring us down
We won't give in
Our voices screaming
Here we stand

We don't care
We don't care
We don't care
We don't care

Relentless here we stand (We stand)
We won't give in
Our voices screaming
Here we stand
No one will ever hold us back
No one will bring us down
We won't give in
Our voices screaming
Here we stand
