

Yeah, Yeah, hey, yeah

Got myself in motion for one I'll know that you'll understand to
to set the world in motion by reaching out for each others hand
maybe we'll discover what we should of known all along(yeah) on
e way or another together where we both belong

If we listen to each others heart we'll find where never to far
apart and maybe love is the reason why for first time ever we
see it eye to eye

If a one sound come between us to high to climb to hard to brea
k through I know that love will lead us and find away to bring
me to you so don't be in a hurry think before you count us out
(oh) you don't have to worry I will never let you down

Nothing gonna stop us now

If we listen to each others heart we'll find where never to far
apart and maybe love is the reason why for first time ever we
see it eye to eye (yes we are seeing it eye to eye seein it eye
to eye (yeah) seeing it eye to eye I think we are seeing it ey
e to eye

If your ever lonley then stop you don't have to be after it all
in I'll be away from you to me (take a look inside and see) ye
aheyeah

If we listen to each others heart we'll find where never to far
apart and maybe love is the reason why for the first time ever
where seeing it eye to eye seeing it eye to eye seeing it eye
to eye baby

For the first time for the first time seeing it seeing it baby
yeah for the first time ever yeah e yeah yeah baby we seeing it
eye to yeah come on yeah eye to eye eye to eye eye to eye yea
aah eye to eye
