

One Song

Tevin Campbell

If we all sing one song
One song of love
One song of peace
One song to make all our troubles cease

One hymn, one theme, one hope, one dream
Imagine what tomorrow would bring
If we all sing one song
If we all learn the words

Just think how great the song would be
And since the song is in freedom's key
One voice you'd hear, so pure, so clear
Imagine what tomorrow would bring

If we all sing one song
There's just one sun that warms our day
The same moon and stars light our way
This little ball whirling in space

It's our only home, our only place
If we all sing one song
One song of love
One song of peace
One song to make all our troubles cease

Imagine what tomorrow would bring
If we all sing one song
If we all sing one song

One song of love
One song of peace
One song to make all our troubles cease
Imagine what tomorrow would bring

Just imagine what tomorrow would bring
Just imagine what tomorrow would bring
If we all sing
If we all sing
One Song!
