

# Stand Out

Tevin Campbell

Open up your eyes, take a look at me  
Get the picture fixed in your memory  
I'm driven by the rythm like the beat of a heart  
And I won't stop until I start  
To stand out  
To stand out

Some people settle for the typical thing  
Livin' all their lives waiting in the wings  
It ain't a question of "if", just a matter of time  
Before I move to the front of the line

Once you're watching every move that I make  
You gotta believe that I got what it takes  
To stand out, above the crowd  
Even if I gotta shout out loud  
'Til mine is the only face you'll see  
Gonna stand out...

'Til ya notice me

If the squeaky wheel's always gettin' the grease  
I'm totally devoted to disturbing the peace  
And I'll do it all again, when I get done  
Until I become your number one  
No method to the madness, and no means of escape  
Gonna break every rule or bend them all outta shape  
It ain't a question of "how", just a matter of when  
You get the message that I'm tryin' to send  
I'm under a spell, I'm in over my head  
And you know I'm going all the way to the end  
To stand out, above the crowd  
Even if I gotta shout out loud  
'Til mine is the only face you see  
Gonna stand out...  
'Til ya notice me

If I could make you stop and take a look at me  
instead of just, walkin' by  
There's nothin that  
I wouldn't do if it was gettin' you to notice  
I'm alive  
All I need is half a chance,  
a second thought, a second glance  
To prove, I got whatever it takes

It's a piece of cake

To stand out, above the crowd  
Even if I gotta shout out loud  
'Til mine is the only face you'll see  
Gonna, stand out, staaaand out

Stand out!  
Stand out!

'Til mine is the only face you'll see

Gonna stand out

'Til ya notice me
