

## 4 Aces

### Texas Tornados

On a midnight train to Laredo  
Four aces stepped aboard  
Gonna find Laredo Rose  
And find out who she chose

She's in love with a bearded singer  
Come from Texas way  
Said his name was Willie  
And I don't mean "Say Hey"

One had an accordion in his left  
A cold beer in his right  
One was a hippie  
Completely out of sight

One was a border singer  
From San Benito they say  
One had a pony tail  
They shuffled in alone that day

Four aces goin' nowhere  
Ridin' gently toward the sun  
Four aces goin' nowhere  
Never meant to hurt no one

Willie sought but he could not find her  
'Cause Jimmy was in town  
He's drinkin' at the cantina  
He ordered up another round

This vato went down for his pistola  
We all thought we were dead  
But as luck would have it  
Entered one grateful Fred

Four aces goin' nowhere  
Ridin' gently toward the sun  
Four aces goin' nowhere  
Never meant to hurt no one

Crazy

Tale of the Texas story  
Is read quite well by all  
This border queen had somethin'  
That made these hombres fall

Like strings of a sweet corrido  
The story is the same  
She just won a bundle  
On the Texas Lotto game

Four aces goin' nowhere  
Ridin' gently toward the sun  
Four aces goin' nowhere  
Never meant to hurt no one
