

Trying

Texas Tornados

Oh, yes I'm tryin'
To forget you
But tryin', tryin' as I may
You're still
My every thought, dear
Every day

No use tryin'
To forget you
'Cause, baby, I realize
That I'm tryin'
Tryin' to forget you
With tears in my eyes

And I know
I haven't a chance, dear
But I'm so in love with you
And I know
I know you got me cryin'
There's no, no denyin'
But you cannot, cannot blame a poor boy
In love for tryin'

No use tryin'
To forget you
But baby, I realize
That I'm tryin'
Tryin' to forget you
With tears in my eyes

And I know
I haven't a chance, dear
But I'm so in love with you
And I know
I know you got me cryin'
There's no, there's no denyin'
But you cannot, cannot blame a poor boy
No, you cannot, cannot blame a poor boy
No, you cannot, cannot blame a poor boy
In love for tryin'
