

Who's to Blame Senorita

Texas Tornados

Who's to blame, señorita? Who's to blame?
Who's to blame, señorita? Who's to blame?
She said "You're my favorite muchacho
All the other guys are so macho"
Then she went and threw it all down the drain

Who's to blame, señorita? Who's to blame?
Who's to blame, señorita? Who's to blame?
She said "I want to meet Paco
Well, he's my favorite muchacho"
Then she went and threw it all down the drain

Play the game, mamasita, play the game
You sure drive those Texas boys insane
Play the game, mamasita, play the game
You sure drive those Texas boys insane

Play the game, mamasita, play the game
You sure drive those Texas boys insane
Play the game, mamasita, play the game
You sure drive those Texas boys insane

Who's to blame, señorita? Who's to blame?
Who's to blame, señorita? Who's to blame?
She said "You're my favorite muchacho
All the other guys are so macho"
Then she went and threw it all down the drain

Who's to blame, señorita?
Who's to blame, señorita?
Who's to blame, señorita?
Who's to blame, señorita?
