Yeh I need somebody
To help me someway
Cos I've changed my mind now
Being around you

I appreciate you being here
I appreciate you helping

I'm down
I'm down
I'm down
I'm down

Yeh I need somebody
To help me someway
Cos I've changed my mind now
Being around you

I appreciate you being here
I appreciate you helping

I'm down
I'm down
I'm down
I'm down

I appreciate you being here
I appreciate you helping

I'm down
I'm down
I'm down
I'm down
