

# Halo

Texas

Bright light city  
You're her religion  
Superstars in their own private movie  
Play just like children

Lies that take her  
Places she's never seen  
The kiss and tell of it all  
To her it seems so obscene

She's so pretty  
Her hair is a mess  
We all love her  
To that we confess

She has a halo  
We really do adore her  
For she has a halo  
Can we touch her

For their blindness  
She sees much further  
Like on a wide-screen viewing  
Going down on her

She's so pretty  
Her hair is a mess  
We all love her  
To that we confess

She has a halo  
We really do adore her  
For she has a halo  
Can we touch her

She believes in everything  
She believes in nothing, in everything

Halo, halo, halo, halo  
Halo, halo, halo, halo

She has a halo  
We really do adore her  
For she has a halo  
Can we touch her

She has a halo  
We really do adore her  
For she has a halo  
Can we touch her

She believes in everything  
She believes in nothing, in everything  
She believes in everything  
She believes in nothing, in everything

For she has a halo

She has a halo
