

# I Don't Want a Lover

Texas

I don't want a lover  
I just need a friend  
I don't want a lover  
I just need a friend

You can't just leave me  
To face life on my own  
I know you don't love me no more  
I knew this day it would come  
Even when it cuts so deep  
It's true I still want you  
But the harder I try  
The more I seem to lose

I don't want a lover  
I just need a friend  
I've had time to recover  
Now that I know it wasn't love

It's always a different story  
When it's me who's in the wrong  
But you can't have it all  
Cause I'm the one who's strong  
I've already been burnt before  
Once but never again  
I know the time will come  
That's when you need me then

I don't want a lover  
I just need a friend  
I've had time to recover  
Now that I know it wasn't love

I don't want a lover  
I just need a prayer  
I know you never cared  
Now that I know it wasn't love

You don't even care  
About what I'm saying  
You don't even think  
What you're doing  
All you see is what you want it to be  
But in there there's just no room for me

I don't want a lover  
I just need a friend  
I've had time to recover  
Now that I know it wasn't love

You don't even care  
About what I'm saying  
You don't even think  
What you're doing  
All you see is what you want it to be  
But in there there's just no room for me

I don't want a lover  
I just need a prayer  
I know you never cared  
Now that I know it wasn't love

I don't want a lover  
I just need a prayer

I know you never cared  
Now that I know it wasn't love
