

# In Demand

Texas

**G** **Cadd9**

when we were together I was blown away

**Emi** **C**

just like paper from a fan

**G** **Cadd9**

but you would act like I was just a kid

**Emi** **C**

like we were never gonna last

**G** **Cadd9**

now I've got someone who cares for me

**Emi** **C**

he wrote my name in silver sands

**G** **Cadd9**

I think you know you've lost the love of your life

**Emi** **C**

(and you said) I was the best you've ever had

**G**

because I'm in demand

**Cadd9** **Emi**

you're thinking of the way you shoulda held my hand

**C** **G**

and all the times you said you didn't understand

**Cadd9** **Emi**

you never had our love written in your plans

**C** **G**

but now I'm in demand

Don't ever think you saw the best in me

there's a side you'll never know

cos love and loving are too different things

set your sites far too low

now I've got someone who cares for me

he wrote my name in silver sands

I think you know you've lost the love of your life

(and you said) I was the best you've ever had

because I'm in demand

you're thinking of the way you shoulda held my hand

and all the times you said you didn't understand

you never had our love written in your plans

but now I'm in demand

you're thinking of the way you shoulda held my hand

and all the times you said you didn't understand

you never had our love written in your plans

but now I'm in demand

**Ami** **C**

it's only when I fall asleep

**Ami** **C**

I see that winning smile

**Ami** **C**

when my dreams just move along

**Fmaj7** **D**

you've lost the race by miles

**G Cadd9 Emi C**

yeah yeah yeah yeah yeah  
yeah yeah yeah yeah yeah  
yeah yeah yeah yeah yeah  
(never had our love written in your plans)  
yeah yeah yeah yeah yeah

because I'm in demand  
you're thinking of the way you shoulda held my hand  
and all the times you said you didn't understand  
you never had our love written in your plans  
but now I'm in demand

you know I'm in demand  
you see I'm in demand  
you know I'm in demand  
you know I'm in demand  
you never had our love written in your plans

you know I'm in demand  
you see I'm in demand  
you need me in demand  
you want me in demand
