Keep On Talking

Texas

You say you need a lovin' woman
Keep on talkin'
You say you need a guidin' hand, baby
Keep on talkin'
Oh, you say that you're not satisfied
With the love your woman is givin'
You say that she's just a drag and
You wanna do some real livin' (Hey, hey, hey)

Keep on talkin'
Keep on comin' on strong
Keep on talkin'
Keep on talkin', keep on talkin'
Talkin' all night long

(Hey, hey, hey)

And you say you want to kiss my lips
Keep on talkin'
And you say your little heart is turnin' flips, baby
Keep on talkin'
And you say that you want me to hold you close
Baby, keep on crowin'
Talkin' yourself right into my heart, darlin'
Start a good thing a-goin' (Hey, hey, hey)

Keep on talkin'
Keep on comin' on strong
Keep on talkin'
Keep on talkin', keep on talkin'
Talkin' all night long

You say you like my style
'Cause I know the score (Ooh, ooh, yeah)
You say I turn you on (Hey, hey, hey)
Baby, baby
Tell me, tell me more, more, more

Keep on talkin'
Keep on comin' on strong
Keep on talkin'
Keep on talkin', keep on talkin'
Talkin' all night long

Keep on talkin'
Keep on comin' on strong
Keep on talkin'
Keep on comin' on strong

Talk talk
Talk talk talk
Talk talk
Talk talk talk
