Mr Haze

Texas

I remember you now just like a summer in the rain, yes I do
Been tryna hold back all these feelings for so long, now I'll t
ell you

Giving up, I just can't take it
Live it up, you'll never make it
Give it up, you should have tried
But just one thing, I wanna know why

Mr Haze, what are you thinking of?
Mr Haze, gimme gimme gimme your love

You make me happy, I think of you when things go wrong, yes I d
o
You make the sun shine, and my wishes, they come true, now I'll
 tell you

Giving up, I just can't take it
Live it up, you'll never make it
Give it up, you should have tried
But just one thing, I wanna know why

Mr Haze, what are you thinking of?
Mr Haze, gimme gimme gimme your love
Mr Haze, is this a sign from above?
Mr Haze, gimme gimme gimme your love

Mr Haze, what are you thinking of?
Mr Haze, gimme gimme gimme your love
Mr Haze, is this a sign from above?
Mr Haze, gimme gimme gimme your love

Mr Haze, is it way too loud?
Gimme gimme gimme your love
In my mind, in my heart, all the faces, we were young
Gimme gimme gimme your love
Mr Haze, is it way too loud?
Gimme gimme gimme your love
In my mind, in my heart, all the faces, we were young
Gimme gimme gimme your love
