Together you and I have nothing left to carry on

G C

R: Now the thrill has gone
C D
Cause I can see it in your eyes

G
Now the thrill has gone
C D
And it was you who threw it all away
G C
Now the thrill has gone

Wondering as I look outside
Changes all around
There's nothing left here to hide
And I'm asking you have you lost your soul
Cause you never cared
You never even realised that I wasn't there

R:
