

Leave

Teyana Taylor

Ooh, ooh
Oh, no no
Hey, hey, hey, hey

I'm on the phone sayin'
I'm all alone, 'cause you're not here, here
(I'm on the phone, saying I'm all alone, now what's the goal, uh)
The things you do makes me want to believe you
So tell me right now, now, now
(Let me get right, I'm 'bout [?] flight, stop crying all night, come on)

Hey, I'm ready to leave, leave, leave, leave, leave you
'Cause I'm all alone, 'cause I'm all alone (I'm all alone)
I'm ready to leave, leave, leave, leave, leave you
I'm ready to leave, ready to leave, ready to leave
The things you make me do, saying "I'm so over you"
(I'm over you, it's so confusing, don't know what's going on)
Do what you're gonna do
'Cause I'm so ready to leave, leave, leave, leave you
(Leave, leave, leave, leave you)

Hey, I'm ready to leave, leave, leave, leave, leave you (Leave you)
'Cause I'm all alone, 'cause I'm all alone (Hey, no, no)
I'm ready to leave, leave, leave, leave, leave, leave you
(I'm all alone)
'Cause I'm all alone

Yeah, I'm sitting in the house and I'm (I'm all alone)
Are you really 'bout what you say? (Where should I go)
Somebody tell me what I'm (Supposed to do)
'Cause I'm really not (In love with you) 'cause
Oh, you don't love me anymore
So let him go (So let him go, so let him go)
I'm ready to leave 'cause there will be no more you and me
Can't you see

I'm ready to leave, leave, leave, leave, leave you
(I'm over you, I'm over you, and it's the truth)
'Cause I'm all alone, 'cause I'm all alone
I'm ready to leave, leave, leave, leave, leave you
(I gotta go right now, I gotta go right now, yeah)
Cause I'm all alone, oh baby

Oh, you don't love me anymore, so let him go
(So let him go, so let him go)
I'm ready to leave 'cause there will be no more you and me
Can't you see

I'm ready to leave, leave, leave, leave, leave you
(I'm ready, I'm ready, I'm ready)
'Cause I'm all alone, 'cause I'm all alone
(I'm all alone, I'm all alone)
I'm ready to leave, leave, leave, leave, leave you (Leave you)
Cause I'm all alone, oh baby

I'm ready to leave, leave, leave, leave, leave you
(I'm ready to leave)

'Cause I'm all alone, 'cause I'm all alone
(I'm ready to leave)
I'm ready to leave, leave, leave, leave, leave you ('Lone)
Cause I'm all alone, oh baby
