Cheat on your m-izz-an

That's how ya get ah-izz-ead

I just want a lady with some class and some br-izz-ead

I ain't playing with it

Give me ten toes on the floor

I'm just gon' buss ya bitch and then I go

Talking one night stands

I ain't trying to be ya man

You got another nigga from that ring on your hand

This Diggy Daz and I put this dick in your life

Aw... aw...

I'm doing it all night

Brown skin, light skin, Latino and White

She said she liked the feeling 'cause the feeling was right

Put it all up in your world, homegirl, don't bite

You got me feeling good 'cause you're doing it right

Ooh wee, yeah, I like the feeling

Baby, it's super feeling

Creeping on that sneaky tip

Girl, who ya f**king with?

I'm not your husband, your boyfriend, or your m-izz-an

(Cheat on ya man, ma, that's how ya get ah-izz-ead)

PHARRELL (DAZ)

So as I walked, stepped up in the (?)

Pretty much all of the ladies was on the fl-izz-oor

Man, my swagger's sick, I'm so right

I guarantee I'm 'bout to crack a bitch tonight

Just stop, stop, stop, stop...

Yeah, do it, I'm all with it

Make that pussy pop

Man, she bad to the bone

She know all of my songs

She love that silver Patron

It's a fact that she's bomb

Young, sexy, and grown

I told her, 'let me give you some game'

Now let me tell ya 'bout the Dogg Pound Gang

This another way for ya to get some pussy, so-

She in it to win it

She do it for the love of it

Rule number one, homie, never trust a chick

(I ain't mad at ya, li'l mama)

(I'm just trying to be a part)

(What ya trying to put together?)

(She said she would do whatever)
