

# I Luv When U

Tha Dogg Pound

'Cause I love it when you, I love it when you...  
I love it when you, I love it when you  
I love it when you, I love it when you...  
I love it when you  
I love it when you, I love it when you  
I love it when you roll it up with the DPG

Every G got somebody on the side  
That they spend their extra time with, get high and goodbye  
She keep it G to a T too  
She love to bang with DPG too  
That's why I'm fucking with you, little mama  
Plus, I think your coochie squeeze tighter than an anaconda  
She said she love me 'cause I'm funny  
And like the fact the bitch got her own money

Yeah, I seen her at the club chillin' with her homies  
She got game, I got game, I'm no dummy  
She insecure, I like 'em mature  
See, I don't fall in love when I'm out on a tour  
See, I give it just a little, she be itching for more  
Plus she knows what a player really got in store  
Big ballin', shot callin', big mall and all of y'all  
And y'all keep runnin' off

'Cause I love it when you say my name  
I love it when you play them games  
I love it when you make me work harder  
I love it when you hold me, I love it when you tease me  
I love it when you keep it real gangsta  
I love it when you still be real with your woman  
I love it when you hold me, I love it when you tease me  
I love it when you roll it up with the DPG

I keeps it rollin' when I'm ridin' down the streets in my 64  
Peepin' the ladies, ridin' on Vogues  
Rollin' down the street to swoop Snoop  
He got some bitches outside, got 'em washing his coupe  
Phone ringing, it's the girl that I just met  
Talking 'bout how she can't wait to see me again  
So I'ma make sure I see her again  
Again, I love the fact she got her own money to spend

In a 500 SL Benz coupe she in  
For the coochie, some spend, but we can be friends  
Don't catch me now, baby girl, catch me later  
In a mink or some alligators for all you haters  
Draped from her wrist to her neck  
I say that to remind y'all I'm one of the best, I'm so fresh  
To the beat y'all, you know a high freq y'all  
After the sun goes down, you know I'll see y'all

'Cause I love it when you say my name  
I love it when you play them games  
I love it when you make me work harder  
I love it when you hold me, I love it when you tease me  
I love it when you keep it real gangsta

I love it when you still be real with your woman  
I love it when you hold me, I love it when you tease me  
I love it when you roll it up with the DPG

Cruising the 101, catch us out in the sun, chillin' or having fun  
Baby packing my fun, yeah, we number one  
Blowing, big drank, swinging coupes and all that  
You know, baby, a you know a nigga can't fall back

Tell me your sign, what's on your mind  
You gonna tell me how I'm s'posed to feel inside  
You got some game for me? I got some game for you  
A thang or two to show you places I'ma take you to

Yeah, she know she fine and cute, she on the grind for loot  
Baby she down to shoot, she get it real and speak the truth  
Baby sweet as a fruit, I give it just to you  
So what's a player 'posed to do?

I'm asking you, look...  
DPGC, we just keep rolling down the coulevard  
G'd as we wanna be, clean as a '63  
Chevy on them gold thangs, candy painted Dayna Danes  
Ain't a thang, watch us bang  
Let me tell you how to get it

'Cause I love it when you say my name  
I love it when you play them games  
I love it when you make me work harder  
I love it when you hold me, I love it when you tease me  
I love it when you keep it real gangsta  
I love it when you still be real with your woman  
I love it when you hold me, I love it when you tease me
