Valet pulled up my 600  
I asked baby girl, 'Is your girlfriend coming? '  
200 miles, girl, Daz, he be gunnin'

Pop me a pill and have me a blast  
And all the girls say they wanna fuck you, Daz  
If I pop me a pill then the panties drop (drop 'em)  
And all of a sudden, baby girl just coughed  
From smoking a blunt and she making it cum  
Now tell me, is this what you want?  
Can you give it to me, girl? I've been waiting to cum  
Girl, all day night and all day long  
Girl, no stress, tell me what you want  
And I'll tell you everything I want (pussy)  
Jump in the bed, give me some head
