Yo girl is my hobby, me and Thaiboy in the lobby
Thousand, a million, I see like a trillion
See my flying high up, I can't feel a thing
Pull up to the club, Polo dripped up, finna win
I got stacks on me, SBE
Wire leaves, poppin' E
Duffle bag made of Burberry
I be swervin' see, on that Hennessy
In the forest with artillery, you feel me?
I don't give a fuck, I be blowing on loud
Pull up to the club might burn the fucker down
First day of class, fresh sack of Burberry shades, smoking haze for days
If you see me where I stay bitch I gotta walk away
Power up to the top, drop it down, get some more
Bitch I'm headed to the store
World full of thotties, world full of thotties, It's a fucking party
