Iced out  
They say "Young Thaiboy why so handsome?"  
Iced out

Never went home  
Always in the club

But never went home  
Always in the club  
Jewels no lie  
Green like the loud pack

I make 100 hunna tracks  
Thaiboy on the beat  
So I bring it back  
Thaiboy, Thaiboy I so high

Money only thing I understand  
I don't care about you and your current situation damn  
Damn, I gotta run into some vans  
Outside in the city with the venom and the shadow clan  
Showing off 150 grams  
Can't stand, so I'm looking at my Instagram  
Hit you up with Freddy Krueger hands  
Hit you back tomorrow cause I'm going on a mission, man

Drain city, bladee city
