

I'm Lost

Thaiboy Digital

Yeah, yeah

Yeah, yeah

Ok, ok

Thaiboy, Thaiboy

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

Gave up hope, I can finally start living

I'm a robot, I let the drugs give me feelings

When I'm too drunk I can't talk with my feelings

I don't talk to girls they only talk 'bout their feelings

No gravity, cause' my boys in the building

They can't let me in so I climb to the ceiling

A knife in your face will make you pray to religion

When the money's gone, I have to pray for a million

I'm poor

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost

I'm lost, I'm lost
