Yo hello?

Welcome to the bank of star sound system, how may I be of service?

I would like to speak with the number 1 DJ in the whole planet

You wish to have a word with dj Billybool correct?

Yeah

Dj Billybool is currently on tour in Andromeda and won't be able to return your call, would you like to leave a message?

Tell him it's 2020, he needs to come back to our planet right now

Very well sir, anything else?

Tell him the legendary member Thaiboy Goon is looking for him
