

Sold out shows on the tour
I'm on the road with the bro
Get the bag, then I go
24 carat, all gold
That shit better all glow
Thaiboy, up in the smoke
Get the fuck out of my face
You really just broke, you look like a joke
Pull up in the public, bunch of smoke
Thaiboy Goon bless you with some dope
G5, G4, red shows, I shoot you with no scope
Gotta be vocal, I am like this
So much cash up in this place
Big trip around the globe, yeah, big zips everywhere, yeah
Up in the club, bringing them back, 24 carats, my backpack
Big Thaiboy, I'm up for the task
What do you need? What do you ask?
Blue bands, blue bands
Young Thaiboy Goon, I got the blue bands
In the in, bust it, look like a bank
Big bank, roll in my right hand
ECCO2K my right-hand man
Louis glass, Gucci racks
Champagne [?], rocking Balmain
Brand new jacket, brand new pants
Smoking on dope, just me and the gang
I'm off all of them, all of the xans
Split up a bar, Kit Kat

Break it in half, Kit Kat
Hong Kong, put it on WeChat
Throw away the money, make it back
Break it in half, Kit Kat
Bad habit, kick that
West [?], reach that
Himalayan, reach that
Big toggles, big racks
Break it in half, Kit Kat
I send the money to Switzerland
I took a flight to Ibiza
Mastercard or the Visa
I spilled lean on my Timberlands
I took a flight to England
Break it in half, Kit Kat
Should've jumped out of the mini van
Running your mouth, you're gonna get it
In the back of the Mercedes
Every day, bass
Ripping apart, like a baby
Break it in half, Kit Kat
Break it in half, Kit Kat
Break it in half, Kit Kat
