

Nothing 2 Fear

Thaiboy Digital

I saw you reappear after you disappeared
Baby girl you know this is your year
Why you living all like that, why you living in fear
Dream on baby, there is nothing 2 fear
Nothing 2 fear, nothing 2 fear
Dream on baby, there is nothing 2 fear
Nothing 2 fear, nothing 2 fear
Dream on baby, there is nothing 2 fear

Girl I want to be the one to take you round the world
She down with me so Thaiboy down with her
She fuck with me so I got a crown for her
SG Thaiboy I buy a town for her
She know Thaiboy, I hold it down for her
And know that she, she is my wonder girl
And know that see, there is no one like her
I want them bands, she want to dance
In wonderland, wonderland, wonderland, wonderland, wonderland, wonderland, wonderland
I'm missing you baby right now shawty, don't you understand
I didn't want to go away, but I had to go and get this cash baby
Shake em off like crazy
More money, Thaiboy go crazy

Look into my eyes, what do you fear?
Look at us right now, this was meant to be
Baby girl you know I love smoking weed
I need to turn it for the key
I don't know what is wrong, feel like my heart is bleeding
Can't find my thoughts until the end of me
Baby girl you had me falling endlessly
Baby girl you don't understand, it's not like I don't care
Baby I don't feel any air, baby I don't feel any air
I don't even wanna play fair, Thaiboy Goon Thaiboy Goon I ain't scared
You can break my heart beyond repair, you can break my heart beyond repair

I saw you reappear after you disappeared
Baby girl you know this is your year
Why you living all like that, why you living in fear

Nothing 2 fear, nothing 2 fear
