

Dance Dance

Thalía

Something's got control of me
Feels like I'm in a trance
Electricity runs through me
Makes me wanna dance
Take me in your arms
'Cause I wanna dance all night with you
When you move I feel your magic running through me
I grow helpless as we dance the night away

Dance, dance
I can't control it
You're making me really want it
The way you move to the rhythm
It's taking over me
You dance
Dance
I want you badly
I'm in a trance
Come and help me
'Cause I can't stop going crazy
Just satisfy me, baby
Dance, dance

Hypnotizing rhythms make me move
At your command
I can be your slave
And dance all night if you demand
You make me lose my mind
And I can't take it any longer
I feel the power that you have
It's getting stronger
Baby, let's dance the whole night away

You totally control
Every part of me
Don't you know what kind of vibe
You're sending to me?
Dance
