Misbehavin'

Thalía

What's going on
You keep creeping out the back door
The minute I'm gone
You've been actin' like some kind of stranger
For far too long
And my girls keep trying to tell me
That something is wrong
So stop playing dumb

You've been hanging up,
Relieved while I'm home alone
I've heard enough
And I won't take anymore

Baby you're misbehavin'
You're telling me lies
Misbehavin' quit makin' me cry
Tell me I'm the only one in your life
You better step up before I say goodbye
You're misbehavin'
You're telling me lies
Misbehavin' quit makin' me cry
Tell me I'm the only one in your life
You better step up before I say goodbye

I'm startin' to tell
That you really don't wanna be here
I know you too well
And it's breakin' my heart just the way you learn
So you gonna make a fool of me
You better think again
Or I'll be free
I walk away from you so easily
Just pushing you will see

You've been hanging up,
Relieved while I'm home alone
I've heard enough
And I won't take anymore

Baby you're misbehavin'
You're telling me lies
Misbehavin' quit makin' me cry
Tell me I'm the only one in your life
You better step up before I say goodbye
You're misbehavin'
You're telling me lies
Misbehavin' quit makin' me cry
Tell me I'm the only one in your life
You better step up before I say goodbye

You know I want to
You know I need to
But I can't carry on the way you treat me
You know I want to
You know I need to
I'm so confused

So baby come and save me
You know I want to
You know I need to
But I can't carry on the way you treat me
You know I want to
You know I need to
I'm so confused
So baby come and save me

You've been hanging up,
Relieved while I'm home alone
I've heard enough
And I won't take anymore

Baby you're misbehavin'
You're telling me lies
Misbehavin' quit makin' me cry
Tell me I'm the only one in your life
You better step up before I say goodbye
You're misbehavin'
You're telling me lies
Misbehavin' quit makin' me cry
Tell me I'm the only one in your life
You better step up before I say goodbye

Goodbye
Quit makin' me cry
Goodbye
Quit makin' me cry
Goodbye

Baby you're misbehavin' you're tellin' me lies
