

# Seduction

Thalía

I can't help all my feelings of temptation  
Every time you touch me  
The way that you provoke me  
I run away just gotta get away  
Your kiss is pure seduction  
Your love is my addiction

Can't go back but I gotta let go  
Your powerful desire  
Has set my soul on fire  
This world keeps turning  
My heart keeps yearning  
It's beating like a drum roll  
You make me want to lose control

My heart keeps racing  
It won't slow down  
I'm starting to get weak  
And I don't think I can take no more  
Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
Cause all I do is think of you

My heart keeps racing  
It won't slow down  
I'm starting to get weak  
And I don't think I can take no more  
Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
Cause all I do is think of you

Your seduction's a dangerous potion  
Spreads like wild fire  
All over every inch of me  
There's no defense  
Your love is too intense  
I feel it in my body  
You always keep on haunting me

Your seduction's a dangerous potion  
Spreads like wild fire  
All over every inch of me  
There's no defense  
Your love is too intense  
I can feel it your seduction

My heart keeps racing  
It won't slow down  
I'm starting to get weak  
And I don't think I can take no more  
Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
Cause all I do is think of you

My heart keeps racing  
It won't slow down  
I'm starting to get weak  
And I don't think I can take no more  
Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
Cause all I do is think of you

Can't you see what your love is doing to me  
I can't breath, I can't sleep I don't know what to do  
You took my heart and my soul  
Got no choice  
I'm so in love with you  
I think I'm losing my mind

Your seduction's a dangerous potion  
Spreads like wild fire  
All over every inch of me  
There's no defense  
Your love is too intense  
I can feel it in my body  
You always keep on haunting me

My heart keeps racing  
It won't slow down  
I'm starting to get weak  
And I don't think I can take no more  
Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
Cause all I do is think of you

My heart keeps racing  
It won't slow down  
I'm starting to get weak  
And I don't think I can take no more  
Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
Cause all I do is think of you

My heart keeps racing  
It won't slow down  
I'm starting to get weak  
And I don't think I can take no more  
Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
Cause all I do is think of you

My heart keeps racing  
It won't slow down  
I'm starting to get weak  
And I don't think I can take no more  
Can't think straight  
And I don't know what to do  
I'm gonna lose my mind.....
