I can't help all my feelings of temptation Every time you touch me The way that you provoke me I run away just gotta get away Your kiss is pure seduction Your love is my addiction

Can't go back but I gotta let go
Your powerful desire
Has set my soul on fire
This world keeps turning
My heart keeps yearning
It's beating like a drum roll
You make me want to lose control

My heart keeps racing
It won't slow down
I'm starting to get weak
And I don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
Cause all I do is think of you

My heart keeps racing
It won't slow down
I'm starting to get weak
And I don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
Cause all I do is think of you

Your seduction's a dangerous potion Spreads like wild fire All over every inch of me There's no defense Your love is too intense I feel it in my body You always keep on haunting me

Your seduction's a dangerous potion Spreads like wild fire All over every inch of me There's no defense Your love is too intense I can feel it your seduction
