

Know Better Learn Faster

Thao & The Get Down Stay Down

I can't do the real thing
I hurt all my feelings
You gotta keep it kind
You make it a mean while

Oh, what a
Oh, what a shameful way to be the same

But I need you to be
Better than me
And you need me to do
Better than you

I disarm you in the morning
I disarm you in the morning
I disarm you in the morning
But I was up in arms all night

And now it counts
I am too, too sleepy to fight

Know better and learn faster
Know better and learn faster
Learn faster
Learn faster

But I need you to be
Better than me
And you need me to do
Better than you

But I need you to be
Better than me
