

## Alone Again

that dog.

Broken hearted  
Finish what you started  
Now I'm alone again

Taken for granted  
Mistaken as something romantic  
And I'm alone again

And I'll never be the same  
And only have myself to blame  
And I'll know better than to stay  
And play the game  
Unless I want to remain alone again

If only  
You'd listen  
You'd find out just what you'd be missing  
I tried to make amends  
And I've cried too much to pretend  
And I'll thank you in the end
